

Patriotic Block Drive Revival (58" x 70")
Designed by members of the Stars and Stripes, QOV Group #75703

CLUE 1: Floating Strippy Star

Make 10 Stars (unfinished size 12.5")
SWFQG Summer 2021 Patriotic Mystery
Quilt

Cutting Directions: Fabric and kits will be available at Fun Day and regular guild meeting.

1. For each star:

Cut 1 red square 4.5", (10 total)

Cut 8 White and/or Cream squares 4.5" (80 total)

Cut 1 WOF blue strip 2.5" wide (You need 5" per star point)
(10 total)

Sewing Directions: Will also be provided at Fun Day and at our regular guild meeting.

1. Using your Creative Grids Strippy Stars Tool #CGRDH2, follow directions for a 12.5" unfinished Star. Your pieces will be 4.5" unfinished.

2. Notes for The QOV directions.

Fabric needs: cut 8 4 x 4.5" rectangles OR 8 5" x 2.5" rectangles.

Steps 4 and 6: Press seams out toward edge of block.

Step 7: check for that 1/4" of space where points merge.

3. Before sewing the 9-patches together: from the wrong side, square up the four star point patches to 4.5".

NOTES: The quarter inch left at the base of all stars is very important. The points of the star do not go to the edge of the block, this gives the floating effect.
